Chocolate Melters

Chocolate Melting Units

Water-less Heating, Manual Tempering

Plug-n-Play, No Assembly

Precision Temperature Control up to 70°C

Low Power Consumption

Compatible With All Chocolates

Neha - 8779645017
Akshay - 8928566591
Ankur - 9820106557

MELTING UNIT

Easily melt & maintain melted / tempered state of chocolate with constant set temperatures. Built for continuous all-day use.

GENTLE DRY HEATING

Uniform all-round moisture-less heating.

No overheating burns, lumps in chocolate.

Gentle heating, flavour and shine retention.

LOW POWER APPLIANCE

Custom built durable heating elements for low power use, built for home and commercial kitchens.

EASY TO USE

Plug in, switch on, set temperature, add chocolate and stir, wait for melted chocolate.

3 Kg Chocolate Melter

Pan Capacity: 3Kg
Temperature Range: 0 - 70°C
Power Rating: 240V / 60Hz
Wattage: 90W
Pan: Stainless Steel Grade 304

6 Kg Chocolate Melter

Pan Capacity: 6Kg
Temperature Range: 0 - 70°C
Power Rating: 240V / 60Hz
Wattage: 180W
Pan: Stainless Steel Grade 304

12 Kg Chocolate Melter

Pan Capacity: 12Kg
Temperature Range: 0 - 70°C
Power Rating: 240V / 60Hz
Wattage: 270W
Pan: Stainless Steel Grade 304

3 x 3 Kg Chocolate Melter

Pan Capacity: 3 x 3Kg
Temperature Range: 0 - 70°C
Power Rating: 240V / 60Hz
Wattage: 3 x 90W
Pan: Stainless Steel Grade 304
